Dear Mr. Clark:

Hensel Phelps Construction Co. would like to commend you and your company on your efforts to ensure the FORSCOM/USARC Combined Headquarters Project is a success. FORSCOM/USARC Combined Headquarters Project is one of the most prestigious projects part of the 2005 Base Realignment and Closure (BRAC), as it will be home to over 2,700 employees who will be relocated from Ft. McPherson, Georgia from two separate government entities. These two government entities consist of the U.S. Army Forces Command (FORSCOM) and the U.S. Army Reserve Command (USARC). FORSCOM is the army's largest major command consisting of over 730,000 of the 1.2 million active army troops while USARC commands over 300,000 Army Reservist.

Your firm's commitment to meeting the demanding schedule while maintaining the highest quality standard has met and in many cases exceeded Hensel Phelps Construction Co.'s expectations. In addition, your staff has always been helpful and has provided creative solutions to issues that have arose during the construction of the Combined Headquarters.

Concrete Service Company is a valued team member and we look forward to future successful endeavors with Concrete Service Company.

Sincerely,  
HENSEL PHELPS CONSTRUCTION CO.

  
Adam Rogers
